Reviews of the Through The Flames (Turtleback School & Library Binding Edition) (Left Behind: The Kids (Pb)) by Jerry Jenkins, Tim Lahaye

WinDimmortal

I have read all of the Left Behind books, and now I am reading the Left Behind books for kids along with my 11 year old grandson. And I am really enjoying reading what the issues were for young people.

Erennge

Jerry Jenkins has done it again! Just as I suspected, he created a whole new book for the series with a great plot and twists and turns! I cannot WAIT to read the next book, number 4!!!

Doriel

I love the whole series!

just one girl

Though this book of the series was more adult oriented and might bother some younger people, it was a good read and unfortunately real life in a lot of big cities.

Styphe

Brings a real reality to reality! There will be a rapture! After reading this you'll either be looking to the skies with great anticipation or preparing your heart so you can!!
