One Word from God Can Change Your Finances [paperback] Kenneth, Copeland, Copeland, Gloria [May 01, 2000] ...

Reviews of the **One Word from God Can Change Your Finances** *by* Copeland Kenneth, Gloria Copeland

Gadar

I loved this book. It was very liberating to me. One word from God is powerful reading. She explains this well by specific examples. I learned from this book. Her conversational writing tone is refreshing. It is simple and direct.

JoldGold

A short book in pages; but a massive book to set you free. Free to be debt free. I have been a born again Christian for 45 years and I have found wonderful and powerful insights in God's Word to

receiving the riches that the bible teaches about living in Gods abundance. This book will be one that you will want to read over and over again.

Nalme

Very good insights into managing your resources in a Godly way.

I especially like the fact that different authors contributed to this work. Each of them gives different "pieces" of wisdom on how to best manage the resources that we have been blessed with.

Forcestalker

Excellent read. I need direction in this area. I believe God can turn things around if I apply these principles.

Gagas

I love reading anything by the Copelands. I have enjoyed reading this book more than once.

Deeroman

awesome little book, changed my life

Swift Summer

Life changing. I keep it in my purse...

This book is awesome. I've learned a lot. I will be reading it again and taking notes to remember some of the teaching, and put it to work.
