In the aftermath of SHADOWLAND, Marvel's greatest street heroes - Punisher, Moon Knight, Shroud, Elektra, Paladin, Silver Sable, Ghost Rider, Iron Fist, Falcon, Misty Knight and more - leap into one all-new adventure! Who has brought together these dangerous loners into one fighting force? How is this network different from all other teams? Who is their first target, and what mysteries await them? Discover the answers and enter the action on Marvel's mean streets - courtesy of fan-favorite writers Dan Abnett and Andy Lanning (THE THANOS IMPERATIVE, PUNISHER: YEAR ONE), and artist Brad Walker (GUARDIANS OF THE GALAXY)! Collecting HEROES FOR HIRE (2011) #1-5 and material from X-MEN: CURSE OF THE MUTANTS SPOTLIGHT.

Bragis

(If Amazon allowed half-stars, I would have given this 3.5 stars -- just FYI.)

So. Heroes For Hire.

I decided to pick this book up because I thought that a book starring Misty Knight (whom I'd just read about in Essential X-Men, Vol. 1 (Marvel Essentials)) might be interesting. Plus, it involved team-ups, and I am nothing if not a fan of teams. This book collects issues 1-5 of the new Heroes For Hire series.

In this story, Misty Knight decides to restart the Heroes for Hire group, calling on a roster that includes Ghost Rider, Moon Knight, Black Widow, Elektra, Paladin, Silver Sable, Iron Fist, Falcon, and the Punisher. (You don't really need to know anything about these heroes to understand the story here.) The heroes team up two (or occasionally more) at a time -- ostensibly to interrupt the trade of an addictive Atlantean street drug. But, as always, there is more going on than meets the eye.

So why did I only give this 3 (or 3.5) stars? Because, honestly, the story didn't grab me as much as several other graphics in recent memory have. Maybe it was because I wasn't emotionally invested in most of the heroes here. I knew most by name, and occasionally reputation, but not much more than that. Or maybe it was because I didn't quite buy into the whole 'more than meets the eye' twist. Short version: I did enjoy it, but maybe not enough to pick up book two.

DABY

Sometimes you just have to give credit for doing something enjoyable and this book was just that. Not the highest concept book or dynamic dialogue but a solid story with a twist or two. Added to that was unbelievable artwork by Brad Walker and you have a great start to a series. You could question the whys of the plot but I believe that will be addressed and seeing Paladin seem.....human was great. Overall, a surprisingly good debut!

Abywis

Nice twist in the plot. Art is pretty good too. Seller shipped in great condition and speedy too.
