When a naked girl runs into the lights of Jack Nelson's jeep, the freelance pilot finds himself submerged in the most perilous treasure hunt ever. On his side are the girl, Claire Bouvier and his best buddy Harry Turk, a tough fighter still scarred by the nightmare of Vietnam.

Waiting for them in the trackless wastes of the Khufra marshes are the ruthless Colonel Taleb of the local security police and his murderous Husa Horseman.

Only time will tell who will survive in the deadliest adventure of all.

"A superb storyteller" —*Daily Mail*

"A thriller writer in a class of his own" —*Financial Times*

Pissah.

Another of Jack Higgins boys own adventures, set in the 70's with good old fashioned seat of your pants adventure and intregue.

The good guys win again.
